Materials: 2 paper plates, ribbon, felt or foam sheets (blue, red, yellow, white), glue, scissors, single hole punch, marker.

Procedure:

1. Cut out 4 quadrants (1 of each colour) to cover face of one of the plates. The Cree colors of the Circle of Life are yellow, red, blue and white.
2. Glue quadrants on the plate (white, red, yellow, blue). Teacher may want to have these pre-cut or traced and labelled “Physical”, “Spiritual”, “Mental”, and “Emotional”.
3. Have students create their own four dimensions of “true learning” on the second plate.
4. Tie plates together using ribbon, string, beads, feathers, etc...
